

PAINTED PICKLE

Operated by Painted Hospitality, an Atlanta based company that creates one of a kind entertainment driven concepts, bars, restaurants, and hospitality ventures, Painted Pickle is a high end pickleball compeatery™, gaming and entertainment venue.

**SIMPLY PUT, A COMPEATERY IS A PLACE
TO COMPETE, EAT, DRINK AND BE SOCIAL.**

Located in an industrial indoor/outdoor warehouse at 279 Ottley Drive at Armour Yards (known as “The Armour Ottley Loop”) in between Buckhead and Midtown, Painted Pickle offers an expansive front and rear patio directly adjacent to the Atlanta Beltline. The 32,500 square foot space houses an indoor pickleball courtyard with eight boutique individually contained courts with permanent nets, a cottage clubhouse, an elevated central seating area overlooking center court, and one signature outdoor court. In addition to our unique pickleball programming, Painted Pickle also has a stage for live music and other competitive pub games and social amenities including an indoor putting green and gaming lawn, 3 ping pong rooms, bucketball, subsoccer tables, cornhole, table shuffleboard, darts, strategy and board games and so much more.

“FOOD BEVERAGE & ENTERTAINMENT” EVENTS

Events ideally suited for happy hours and general mixing and mingling are held in the middle of our “food, beverage and entertainment” (“FB&E”) space which offers complimentary gaming, reserved seating located in front of the stage, and plenty of room for guests to interact. The space can accommodate up to 120 people. All games are first come, first serve and free of charge for guests to play as they would like. Games include an indoor putting green with 4 hole locations, gaming lawn with classic beach and lawn games, several ping pong tables, bucketball, table shuffleboard, darts and other unique competitive gaming options. Pre-selected food packages will be placed on your clearly marked reserved table space. Guests can order their drinks of choice at the bar on your tab. We never reserve the FB&E area privately unless a group rents out the whole venue- however please note the area is very large allowing your group to still maintain their own area. Once you arrive, you can add your group to the waitlist for up to 1 court (12 people per court max) and guests can easily switch out after the first game so more people can play. We are unable to include any reserved courts in a “FB&E” event (Please keep in mind that we are unable to allow multiple people from the same group to add their name to the waitlist for courts.) The “FB&E” option is ideal for those groups that are also looking to potentially play pickle with the idea that by the time everyone eats, has a couple of drinks, and plays some of our complimentary games, courts begin to become available.
