AT PUTTSHACK, WE'RE ALL ABOUT *bringing people together.*

Puttshack is a leading social entertainment concept that's reimagining the traditional mini golf and dining experience. Think colorful roulette wheels, trivia questions, and golf balls that count every stroke. From intimate celebrations to large-scale corporate events, our expert sales team is here to help you plan every detail.

Every event includes:

- Reserved Area/Seating
- Choice of Menu
- Event Ambassador Team

What to expect:

Your Sales Manager will handle the details leading up to and on the day of your event. We'll kick things off in your reserved space, where you and your party will be greeted by your event team.

- This area is yours for the duration of your event!
- Food will be served the first hour of your event, but is not permitted on the course.
- Not to worry, drinks will be served both on and off the course and are available for the entirety of your event.
- When it's time to play mini golf, your party will break out into groups of up to six guests. Your Sales Manager can help pre-select teams or mix things up for anyone who prefers friendly competition over fierce rivalries.

Too good to be true? We thought you'd say that! The next few pages cover our food and beverage packages to ensure your guests are satisfied!
